SUMMARY

Results-driven Flutter and Full-Stack Developer with 1+ year of professional experience including internships and freelance projects. Skilled in building scalable mobile and web applications with clean architecture, seamless API integration, and intuitive UI/UX. Strong collaborator with hands-on expertise in Flutter, Dart, REST APIs, and modern state management.

SKILLS

Flutter | Provider | Firebase| Dart |SQL | Rest API |UI/UX | Figma | Git | GitHub

EXPERIENCE

Flutter Developer Intern – Accelsoft Infotech Pvt .ltd

April 2025 – August 2025 | Bengaluru

- Developed and enhanced cross-platform mobile apps with Flutter and Dart.
- Integrated REST APIs and optimized application performance.
- Collaborated with UI/UX designers to deliver intuitive mobile interfaces.
- Contributed to Agile development cycles, ensuring on-time delivery.

Freelance Flutter Developer

Nov 2024 – Apr 2025 | Remote

- Delivered multiple client-based projects including food delivery apps, recruitment and job apps
- Built APIs and integrated real-time data for scalable applications.
- Designed modern UI/UX interfaces using Figma and implemented them in Flutter.
- Successfully deployed apps to clients, ensuring performance optimization and customer satisfaction.

Flutter Developer Intern – VARCONS TECHNOLOGIES PVT. LTD

Dec 2022 – May 2023 | Remote

- Designed and developed a fully functional E-commerce application using Flutter, Dart, MySQL, and Firebase.
- Led a team of 4 developers, managing tasks and ensuring on-time delivery.
- Implemented new features, improving user satisfaction by 15%.
- Collaborated in Agile sprints to deliver scalable and maintainable code.

PROJECTS

Dynamic Form Builder Website (Flutter, Dart, Provider)

- Developed a dynamic form system in Flutter with Provider for state management, allowing forms to be created, edited, and saved at runtime.
- Implemented custom widget parsers for TextField, Dropdown, Checkbox, etc., with unique IDs and JSON serialization for storing and updating form state.
- Added functionality to sync user input in real-time to JSON without duplicates, ensuring data integrity across app sessions.
- Designed a modular architecture for dynamic UI generation from JSON templates, improving app scalability and maintainability.
- Integrated file uploads and controller-based input tracking for advanced form fields.

One-Junction app(Delivery Services Consumer, Vendor & Rider Apps) – Flutter, Dart, Firebase, Postman, Provider

- Built vendor, consumer and rider apps with multiple services like taxi services, food delivery, grocery delivery, pharma delivery services.
- Integrated login/register APIs, OTP verification, payment gateways, restaurant menus, order tracking, and rider assignment features.
- Implemented real-time order tracking with location services and Google Maps APIs.

QuickHire App – Flutter, Dart, Firebase, REST API

- Built a job portal mobile app similar to Naukri with complete recruitment and job search functionalities.
- Enabled candidates to create profiles, upload resumes, apply for jobs, track applications, and receive job recommendations.
- Provided recruiter dashboards to post jobs, filter candidates, schedule interviews, and manage hiring pipelines.
- Integrated secure authentication, push notifications, and real-time updates for seamless communication between recruiters and candidates.

AWARDS AND ACHIEVEMENTS

SAI VIDYA INSTITUTE OF TECHNOLOGY

August 2019 – August 2023

Bachelor of Engineering | Information Science &

Engineering CGPA – **7.34/10**

CERTIFICATIONS AND TRAINING

- Java Full Stack Developer training – Besant Technologies
- Volunteer of Avisa Charitable Trust – NGO

AWARDS AND ACHIEVEMENTS

Student Tech & Event Planning Club (Member)

- Organized and participated in coding competitions and collaborative projects.
- Contributed to the planning and execution of a campus tech events.

NCC (Volunteer of Avisa Charitable Trust)

- Collaborated with team of 10 volunteers and contributed in the development of rural areas, communicated with the residents and created awareness about women menstrual health and clean India, painted the public walls.
